Building for the community and our future!

Moores Mill Intermediate School is a new school in our community that serves students in grades four through six. The faculty and staff are excited to begin our second year of working with our students. Our first year has proven us to be a fabulous addition to our community! In order to enhance our campus further, we are working diligently to install more sections to our current playground for the children. Recess is such an important aspect of learning that not only gives the students a break to recharge their minds, but also allows them the necessary time to strengthen their bodies. We need your help to finish our playground! Your participation in this event will help us raise the needed funds to complete this project.

Awards will be presented to the overall male and female open and masters as well as the top three runners in the age divisions. Overall winners are not eligible for age group awards. No awards will be mailed. Results will be available at the following sites:
